RE: 2 Million Bikers to D.C. (RIDE ONLY EVENT)

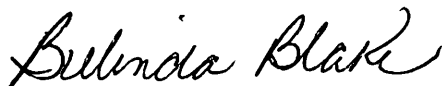

To Whom It May Concern

Attached is the corrected application, along with copy of original, received by your office on 8/26/13 at 3:24pm. We were told by a gentleman names John Growski <sp> we had completed the wrong application for our event, even though we were told originally this was the correct one. We hope this misunderstanding will not delay our event. We plan a RIDE ONLY event through D.D> on 9-11-203 as a memorial ride to all Victims/1st Responders of the 911 attacks.

Our event Ride will start and end at Harley Davidson of Washington in Ft. Washington. We have included the route as part of the application package. We have contacted all necessary LEO's as well. These include from State of Maryland, D.C. and Virginia. Park & Metro are awaiting Permit approval.

Should you need additional information please contact Belinda Blake (signature on application) at (b) (6) (b) (6) I can be reached day or evening at that number. We look forward to hearing from you in the near future.

Respectfully,

Belinda Blake

Ms. Belinda Blake

Dear Ms. Blake:

This responds to your special event application 13-1563 dated August 27, 2013, requesting to conduct a "RIDE ONLY EVENT-NON-STOP through all Memorials and 9/11 Memorial (with no stopping)" along various roadways starting and ending at Ft. Washington, Maryland on Wednesday, September 11, 2013. Specifically, your application requests use of substantial portions of National Park Service jurisdictions of Constitution Avenue, 23rd Street, Memorial Bridge and Memorial Circle, non-stop without having to comply with established traffic signs and signals, between 9:00 am to 4:00 pm with 2,000 stated motorcyclists.

The National Park Service reviews applications for special events based on 36 C.F.R. § 7.96(g). We encourage all persons to enjoy our national parks and to utilize existing roadways provided for this purpose to access our iconic Monuments and Memorials. However, such a proposed large non-stop motorcycle ride would require closures within our jurisdiction of important roadways that would result in severe disruption of traffic both inside and outside the Memorial core. It would also negatively impact on other visitors' access to the George Washington Memorial Parkway and to the Rock Creek Parkway. In addition during our conference call on Thursday, September 5, you were informed that the Metropolitan Police Department and the U. S. Capitol Police could not approve your proposed non-stop motorcycle ride. Further, the areas you requested are not reasonably suited in the terms of the size and nature of your event and would unreasonably interfere with regular and rush-hour motor vehicle traffic. As such, pursuant to 36 C.F.R. § 7.96 (g)(4)(vii)(B)(C), your application must be denied.

We appreciate your interest in the National Park Service and wish you well in your endeavor. In that regard, any motorcyclists would have to follow all established traffic signs, signals, and patterns as well as comply with posted speed limits and vehicular traffic flow.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelly M. Oliver". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
